Welcome back to the 2014 school year.

I hope that you all managed to find some time to relax and enjoy the vacation period. A very special welcome to the many new students and families who commenced their association with Greythorn last week.

Despite some very trying weather conditions staff and students have made an excellent start to the 2014 school year. Staff officially commenced last Tuesday providing the opportunity for them to participate in Professional Learning and Planning sessions. Classes commenced on Thursday, when we welcomed 570 students – our largest enrolment in many years. Of that number we greeted 76 Prep students who have also made a smooth transition to school. The manner in which all students have slipped into school mode is indicative of the preparation carried out by our staff and parents. Many thanks for your support.

At our first assembly for the year on Monday we had the opportunity to re-introduce our School Captains for 2014 – Alla and Ryan. I am sure their leadership as School Captains will be a fine example for all other students. Alla and Ryan also gave a special welcome to all new students who have joined us at Greythorn this year.

We regard all Year Six students as leaders in the school and on Monday presented them with their ‘Greythorn badge’, signifying the important role they play. During this week all Year Six students will be focussing on aspects of leadership as they prepare to deliver their speeches to their peers and ‘House members’. Further badge presentations and student leadership positions will be announced at next Monday’s assembly (10th February) to be conducted in the stadium.

Along with our new students, we also welcomed some new staff members. Welcome to Rebecca Reid (teaching Prep R), Kristina Verhagen (2V), Narelle Sime (6S) and Simon Judkins (6J). We are delighted to have these staff members join us at Greythorn. We have also welcomed back the following staff members from leave - Fiona Limoli (Assistant Principal), Caroline Eva (Year 4) and Judi Bancroft (Integration team).

Over the next few weeks I encourage you to take the opportunity to ‘catch up’ with your child’s teacher. Formal parent/teacher ‘getting to know you’ interviews, where you can provide information to the teacher about your child will be conducted later in February. Specialist teachers will also be available at this time should you need to inform them of any specific concerns regarding your child. More information about these interviews will be provided in the next few days including details of the online booking process. The class teacher is the first point of contact should you have any issues or anything you need to discuss relating to your child’s schooling. Team Leaders who have this responsibility for 2014 are as follows: Prep – Vicky Poulton; Year One & Two (Junior School) – Kim Adam; Year Three & Year Four (Middle School) – Liz Miller; Year Five & Year Six (Senior School) – Ken Darby; Specialist Co-ordinator – Elizabeth Turley.

We are always trying to improve our ability to communicate with all sectors of our school community. Our website remains a major communication vehicle and is monitored daily to include current events, reports and documentation that is useful for parents. Our weekly Newsletter also provides a wealth of information and reports on school happenings. It is vital that parents read the Newsletter and regularly check the website. During 2014 you may notice some changes in the presentation of this information as we endeavour to utilise the technology available to enhance communication and the dissemination of information.
Good luck to those students who will participate in our school swimming trials next Tuesday 11\textsuperscript{th} February. These trials provide the opportunity to select our swimming squad to represent Greythorn at the District Swimming Carnival on Monday 17\textsuperscript{th} February.

**Car Parking**
Car parking within the school grounds is restricted to staff cars only. Please do not enter the school ground car parks to pick up or drop your children off. We are concerned about student safety and using these areas as drop off and pick up points creates an extremely dangerous situation. This includes the car park off Reading Avenue where some parents drive in to collect children from OSHClub and the car park off Glenthorn Avenue adjacent to the stadium. Your assistance in following the appropriate procedures, parking signage and road laws when dropping off and picking up your children from school will help create a safer environment for all.

**Student Supervision**
It is terrific to see how enthusiastic our students are to be at school! However, I must remind you that the school grounds are not supervised until 8.45am each morning. It is not appropriate for children to be in the school grounds unsupervised before this time. Before School Care (OSHClub) is available from 7.00am each morning should you need to use this service.

We were deeply saddened on Monday to hear that one of our former students Sebastian Canale had tragically died on the weekend. Sebastian completed Year Six at Greythorn in 2009. On behalf of the Greythorn Primary School community I would like to express our deepest sympathies to Anna, Ric and Dominic and assure them that they are very much in our thoughts at this sad time.

**Admin Matters**

**Education Maintenance Allowance:** Please see included within this newsletter information about the Education Maintenance Allowance and notices sent home last week.

**Newsletter: ‘Greythorn Reading’** The Greythorn Primary School Newsletter is published online on our website every Wednesday. The newsletter is accessible by opening the Greythorn Primary School website and clicking on the Newsletter tab.

Go to: [www.greythornps.vic.edu.au](http://www.greythornps.vic.edu.au); or Google the school name. We encourage families to access this online **every Wednesday**. There is also a link that you can set up to have weekly reminders sent to you via email to alert you that the newsletter has arrived. Here’s what you need to do -
· Log into the school’s website (see above address)
· Click on the “Newsletter” tab
· Click on the “subscribe here” tab
· Enter your details.

Each week we will also print a hard copy of the newsletter which will be displayed on the noticeboard at the Office. Please Note: no hard copies of the newsletter are distributed to students unless requested in writing.

**Religious Education At Greythorn Primary School:**
On the school enrolment form parents indicate whether or not they wish their child to participate in Religious Instruction at school. If you wish to change your preference you will need to do so in writing. Please contact the office if you have any questions in relation to this matter.

**Student Contacts, Alerts & Restrictions:**
Parents/Guardians—please make any alterations needed to the printout sent home in your pack, return as soon as possible. Even if there are no changes please initial the sheet and return to the Office.

**Alternate Families:** A friendly reminder to alternate families (parents whose child does not live with them full time) to update your details at the office. We want to ensure that you continue to receive your child’s reports, and that your details are correct, should we need to contact you.
Dear Parents

This is to inform you that there are a number of students throughout the school with Anaphylaxis and food allergies, namely dairy, egg and nut. Students who are allergic to dairy, egg and nuts or nut products can have a life threatening reaction (Anaphylaxis) by ingesting or coming into contact with these products.

At Greythorn we try to reduce the risks by asking for your support in a number of ways. Firstly we ask that you do not provide your child with peanut butter or Nutella sandwiches or snacks with nut products in them. We also request that you contact your child’s class teacher should you wish to bring in birthday treats or cakes for your child’s class.

Parents of students with Anaphylaxis are asked to provide their students with their own special treats to have when celebrating a special occasion. All students are asked not to share food and to only eat food that their family has prepared for them.

Our school is ‘allergy aware’ and by reducing the risks and developing the strategies suggested by Allergy and Anaphylaxis Australia as outlined in our school Anaphylaxis Policy, we aim to educate all students about caring for themselves and others.

---

Our school is ‘allergy aware’ and by reducing the risks and developing the strategies suggested by Allergy and Anaphylaxis Australia as outlined in our school Anaphylaxis Policy, we aim to educate all students about caring for themselves and others.

---

**Working with Children**

Just a reminder that all Parent Helpers in the school as well as attending excursions and swimming, will need a current Volunteer Working with Children Check. Application forms are available from any post office. For any additional information please see the following website:

To apply:

Get an application form at an Australia Post outlet. [Limited number of forms available from the school office].

1. Fill out the application form using a black pen. Do not sign the form yet.
2. Take the form, 100 points of acceptable identification and a passport size photograph to an Australia Post outlet. A staff member will witness your signature.
3. **Volunteer applications are free.**
4. Keep the application receipt, which is an important document.

---

**Music Notes**

**The Gypsies 2014**

Rehearsals for our school orchestra, The Gypsies, will begin soon on Thursday mornings from 7.45-8.45am and this week it is time to enrol for 2014. Enrolments will be held this Thursday morning 6th February from 8.30am in the School Hall. Simone Santos our new Gypsies conductor will be here, so if you play an orchestral instrument come along and find out more about Gypsies for this year.

Joy Odou
Music Teacher
Swimming Trials

The Greythorn Primary School Swimming Trials will be held at the Boroondara Sports Complex on Tuesday 11th February from 12:00-3:00pm. Notices and permission forms for this event were sent home to all students in Years 3-6 last week however participation in this event is an optional part of the 3-6 Physical Education program.

This event will serve as a selection trial for our District Sports Competition. Therefore, it is important that all participants can competently and continuously swim 50 metres (Level 4 “Eel” in the Aquasafe Log Book). The freestyle, backstroke, breaststroke and butterfly events will all be 50 metres and participants can choose to go in one or more events if they prefer. If your child would like to take part in these trials, please ensure the permission form and payment ($6) are returned to your child’s classroom teacher ASAP.

I would greatly appreciate the assistance of parents on the day. If you are able to help, please indicate your availability on the bottom of the form.

Thank you,
Liam Santamaria—PE/Sport Coordinator

Canteen Bites

Our canteen operates everyday and provides students with a range of meals, drinks and snack food. Hot food is available all year round and a price list can be found at the office or on the website.

If ordering your child’s lunch please use a paper bag labelled as follows:

- **Student’s Name:**
- **Grade:**
- **Lunch Order:** [List itemised prices]
- **Amount enclosed:** $

Volunteers are always required and your help is appreciated. Please complete the attached Canteen Volunteers form if you are interested or contact Lynne in the Canteen.

Please find below the Roster for Canteen duty for Thursday 6th February to Wednesday 19th February 2014.

School Banking

**Remember:** School Banking is every Friday so don’t forget to bring your bank book and money into school.
Financial Assistance - Information for Parents

**Education Maintenance Allowance (EMA):**

The Education Maintenance Allowance (EMA) is provided by the Victorian Government to lower-income families to help with education-related costs.

If you have a child under 16, and you hold a valid Health Care Card, Pension Card, or are a temporary foster parent, you may be eligible to receive the EMA. The allowance is paid in two instalments, one in March and one in August.

The payment is intended to assist with education-related costs such as; uniforms, excursions, textbooks, and stationery. You can elect to have your EMA paid in one of the following ways:

- Paid by direct deposit (Electronic Funds Transfer) into your own nominated bank account; or
- Paid to the school to be held as credit which you can use towards education expenses; or
- Paid by cheque which will be posted to the school for collection.

In 2014, the annual EMA amount per student is:

- $200 for prep students
- $150 for students in years 1 – 6.
- $300 for year 7 students
- $250 for students in year 8 – until age 16*.

* A pro-rata amount is payable for students turning 16 in 2014.

**How to Apply:** Contact the school office to obtain an EMA application form.

**Closing Date:** You need to obtain an EMA application form from the school office and return by 21 February 2014.

**CANTEEN VOLUNTEERS**

Helping in our school canteen is a wonderful way to meet other parents, help your child’s school and of course give your child a thrill to see you in the canteen. Volunteers in the canteen are often mums, dads, aunts, uncles and grandparents ~ all working to make our School Canteen unique.

Volunteers are needed to help serve and pack lunches each day. Whilst we ask for a commitment of one day per month from 10.30am to 1.00pm approximately ~ any amount of time, no matter how limited or infrequent, would be helpful. If you can spare 2 ~ 3 hours a day, once a month and enjoy a great cup of coffee or tea and a chat, please fill out one of our 2014 Canteen volunteer notices to add your name to our Roster.

Please note that all Canteen helpers must have a current Working With Children Check. Volunteer Working With Children Checks are **free of charge** and forms are available from the Post Office.

Your help will be greatly appreciated!

Lynne Archdall — Canteen Manager

---

**CANTEEN VOLUNTEERS NEEDED FOR 2014**

Dear Parents: The Canteen needs your help to fill our roster commencing March 2014. If you would like to volunteer your time we have lots of vacancies available.

Please fill in the form below and return either to the office or the Canteen.

Name……………………. Phone No……………………. Email Address…………………….

Child’s Name…………………….. Grade……………………

Circle the appropriate Day:

- [ ] Mon
- [ ] Tues
- [ ] Wed
- [ ] Thurs
- [ ] Fri

If you have any queries I can be contacted via the following:

- The Canteen (School Hours)
- Telephone 9898 3649 (After Hours)
- Email Address: lynescraft@hotmail.com

Many Thanks—Lynne Archdall ~ Canteen Manager
Program Update

Hello Everyone!

Welcome back to term 1!! We hope everyone had a relaxing and peaceful break, and managed to get some rest over the summer break. We are now back in full swing and looking forward to a fun filled and jam packed year ahead.

Here at OSHClub we have a number of changes. Katherine Pow is no longer the co-ordinator at OSHClub Greythorn Primary. Katherine has moved onto a new job opportunity with OSHClub becoming an Area Manager. We wish Katherine good luck on her new adventures. However I'm sure we will still see her from time to time.

With the Australian Open behind us we are reminiscing on what was a great tournament. This week we will be making tennis racquets, homemade bounce ball, creating paper mache shapes of different types of balls. Children will be participating in our weekly cooking club where we are making cupcakes and will be decorating them to look like tennis balls.

As always we appreciate any donations of old toys, dress ups and sporting equipment. We also encourage community involvement throughout the program. If you would like to share any skills or would like to participate in the program please feel free to contact me.

Please remember our sun safety policy in Term 1. Children will be expected to wear a hat and sunscreen should they wish to play outside.

Enjoy your first week back.

That’s it from me this week.

John Megalakakis
Greythorn Co-ordinator

ENVELOPE AND ORDER INSTRUCTIONS

Dear Parents & Students ... PHOTO DAY IS Thursday 27th February 2014

School photo order envelopes have been or will be distributed to every student and it is important that the order instructions (below) are followed.

Important Information

- Every student ordering photos must return an order envelope before photo day.
- Every student ordering photos must return their own order envelope – even if their payment is in their sibling’s envelope.
- Sibling photo order envelopes can be collected from the school office and must be returned to the school office before photo day.
- Orders placed after photo day will be charged a late order fee.

Order instructions

1. Select a photo package option - each option is explained on the flyer attached to the order envelope.
2. Complete your order envelope - use a black or blue ball point pen and fill in your order and contact details.
3. Complete payment - using one of the following options.

CASH
- Put exact money in order envelope.
- No change will be given.
- You can pay for all siblings in one order envelope - you must write on each order envelope the name and class of the sibling that has payment.

CHEQUE
- Write your name, address and telephone number on the back of the cheque.
- Dishonour fees will be charged if payment is declined.
- Make cheques payable to: ADVANCEDLIFE PHOTOGRAPHY
- Allow up to 60 days for payment to be completed.

CREDIT CARD
- Payment can only be made online.
  1. Go to website: www.advancedlife.com.au
  2. Click on online payments and re-orders, then click on proceed
  3. Enter the three (3) letter online payment code found on your order envelope (example: SCH), then click on OK
  4. Follow the payment instructions
  5. Write your receipt number on your order envelope under payment method – online payment.
- You can pay for all siblings in one transaction – you must total the amount of all order envelopes and write the receipt number on each order envelope.
- Return order envelope to school before photo day.

From the team at AdvancedLife Photography.
Back to School in 2014! Be prepared for an Asthma Spike

What is the February asthma spike?
Throughout the year there are significant increases, or ‘spikes’, in asthma presentations to hospitals and emergency departments. Approximately 1 in 10 children in Australia have asthma, and for children and adolescents with asthma these ‘spikes’ usually occur towards the end of holiday periods as they return to school and preschool. A significant ‘spike’ in asthma presentations and admissions to hospital of children and adolescents, experiencing severe asthma exacerbations, occurs throughout the first few weeks of February.

Triggers that can be encountered are:
- Dust and mould spores from poorly ventilated, or insufficiently cleaned school rooms
- Respiratory viruses, such as cold and flu viruses
- Cleaning products that leave behind strong smells, aerosols or airborne dust
- Anxiety and stress due to returning to school

What can we do to avoid asthma exacerbations in our school?
- Ensure your school has a sufficient number of Asthma Emergency Kits
- Ensure that each Asthma Emergency Kits contain fresh and in-date reliever medication (e.g. Ventolin, Asmol or Alupent), spacers, record sheet and Instructions detailing the emergency procedure
- Ensure student Asthma Action Plans are updated and returned to school
- Ensure staff education and training is current, arranging a free staff asthma education session as required for all new and ongoing staff
- Ensure your school’s asthma policy is current for both onsite and offsite situations, and first aid posters are displayed in key locations
- Ensure staff are aware of which students in their class have asthma, and know where Asthma Emergency Kits are stored
- Ensure all classrooms are opened, cleaned and aired out in the weeks before students return to school. A helpful technique can be to turn on all fans, as well as any heating/cooling systems, to begin to clear dust before students arrive

Why does the spike occur?
While there have not been direct links established, the February ‘asthma spike’ is believed to be largely due to children and adolescents coming into contact with asthma triggers that they have had time away from, as they are now returning to school. Forgetting to take their medication, and poor medication adherence, also places students at an increased risk of asthma attacks when exposed to triggers.
New approach to working with schools across Australia

The Australian Government Department of Health has provided ongoing funding for Asthma Australia and its member Asthma Foundations to continue to provide training for staff in schools, as well as other education settings (e.g. Child Care staff; Trainee teachers & Child Care Workers).

In addition we have been asked to develop approaches to engage both students with asthma and their parents/carers in the scope of our work. Through a short survey of 70 schools nationally, it was clear that a flexible approach was needed to be able to work meaningfully with the diverse range of school communities.

We are developing a variety of ways to work through schools and engage with students with asthma and their parents/carers, including face-to-face and online options.

It is our intention to target the whole student group (this was strongly stated in the survey responses), including a focus on how to help a friend/classmate in case of an asthma attack.

For parents/carers of students with asthma we are exploring options such as Expert Q&A sessions in local health/community settings (including webinar access) and Live Well with Asthma sessions at various venues and online. The ultimate aim is to connect parents/carers with their local Asthma Foundation through the new Asthma Assist initiative.

These and other approaches will be in place from 1 April 2014. As part of providing staff training for your setting, Asthma Foundation staff and trainers will also be making contact about these new opportunities and working with you to identify suitable ways to engage meaningfully with your school community.

National Young People and Asthma Strategy

Additionally, Asthma Australia has also been funded to implement this strategy for 12-25 year olds with asthma across Australia. We will work with secondary school students to contribute to achieving this. A major focus will be to develop a tool to encourage better medication adherence through self-management.

Survey including secondary students

A starting point for young people with asthma is a survey we will distribute to gather baseline information and to identify young people who want to contribute to our processes. This will inform our research and provide opportunities for respondents to join a forum and to become members of a reference group for the project evaluators.

This survey will be sent to schools following ethics approval. We will encourage you to inform secondary students with asthma about this and for them to contribute to this worthwhile research that will have international significance.

Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, here at Greythorn Primary School.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-on-one lessons give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from $16.50 per lesson and enrolments are now being accepted for limited places in term 1.

Interested parents should call Marika during office hours on 9818 2333.

TECHKIDS TECHNOLOGY IN PLAY

ROBOTICS, ANIMATION & ELECTRONICS
Workshops (After School)
At Greystanes Primary School Hall

Workshop Details
2014 Term 1
Tuesdays, 4 to 5:30pm
Dates: 11/2, 18/2, 25/2, 4/3, 11/3, 18/3
Age Group: Grades 1-6
Cost: $225

About the workshops
Our after-school workshops aim to extend the student's learning in Science, Technology and Mathematics.

The workshops are designed to allow students to learn with the latest innovations in educational technology. We teach by utilising the hands-on method where the students learn to be independent and learn by doing.

In our workshops, we cover the basic principles of robotics, programming and stop-motion animation.

Students will have fun building, experimenting and learning at the same time!
