Congratulations to all the Prep, Year 1 and Year 2 students who participated in the rescheduled school cross country event on Tuesday afternoon at Greythorn Park. It was a glorious day of Fun Running in the Sun and everybody had a great time participating and supporting their houses. I was excited to see all of our younger students running so well as they have all worked really hard to prepare for the day. It was also great to see our Year 6 Leaders supporting the younger students so well throughout the day. Many thanks to the parents who assisted with packing up and setting up and as course marshals and to all the teachers for their hard work.
