SCHOOL VISION
Greythorn Primary School, ‘working together’ with its community, has the expectation that all students will pursue excellence whilst acquiring a lifelong love of learning and the skills and attitudes necessary to contribute successfully in our global society. Our pedagogical focus is to create an environment where students are encouraged to take risks, ask questions and seek answers to stimulate their curiosity. Students are supported to develop the strategies and confidence to engage in all tasks, demonstrating a sense of purpose and a zest for life.

Our dynamic learning environment encourages students to become active learners, acquire and practise higher order thinking skills and utilise Information and Communication Technology skills. ICT hardware including PC’s, laptops, iPads, IWB’s and netbooks form part of the learning tools available to all students. Providing leadership opportunities and developing students’ social competencies is a priority at Greythorn. The school culture is influenced by a common purpose that we need to continue to acknowledge and pursue high performance whilst embedding a social framework to support students on their learning journey.

Strong parent-school partnerships enable parents to participate in all aspects of school life. This partnership promotes a cooperative school culture where a spirit of mutual respect is evident. Parent participation complements and extends the quality programs provided by the staff.

**Procedures, Policies and Practices**

**ABSENCES**
It is a requirement and it is important that your child maintains full school attendance for prescribed times unless s/he is ill. [No facility exists at school to care for unwell students.] A note to the class teacher, upon return is a school requirement.

If your child arrives at school after 9am you must report to the school office to sign them in and take a note to the class teacher.

All students leaving school during school hours must be signed out by a parent or representative at the School Office before the child is collected from the classroom.

If your child is ill due to one of the following: mumps, chicken pox, measles, please notify the school immediately.

**ACCIDENT AND ILLNESS**

**Medication at school**
Should a child require medication at school, a Medication Administration Form is to be completed by the parent/guardian and handed into the office along with the medication. [This form is available from the office and on the school’s website]. The First Aid Officer will administer the medication at the appropriate time. The medication will be stored appropriately throughout the day and will need to be collected at the end of the day by an adult. This policy also applies to medication administered on excursions and school camps.

**Asthmatics**
It is imperative students suffering from Asthma have this condition detailed on the School Asthma Action Plan form. If your child develops Asthma during his/her school life please ensure the school’s records are updated. Medication should be available for these students. A spare named treatment kit can be left at the First Aid room for use as required. However, we encourage all asthmatic students to carry a reliever puffer [Ventolin] and spacer on them at all times.

Further pertinent details [regarding medication, physical exertion etc.] should be given to the teacher when your child is suffering from Asthma.

**Anaphylaxis**
There are a number of students throughout the school with Anaphylaxis and food allergies, namely dairy, egg and nut.

Students who are allergic to dairy, egg and nuts or nut products can have a life threatening reaction (Anaphylaxis) by ingesting or coming into contact with these products.

At Greythorn we try to reduce the risks by asking for your support in a number of ways.

Firstly we ask that you do not provide your child with peanut butter or Nutella sandwiches or snacks with nut products in them. We also request that you contact your child’s class teacher should you wish to bring in birthday treats or cakes for your child’s class.

Parents of students with anaphylaxis are asked to provide their students with their own special treats to have when celebrating a special occasion. All students are asked not to share food and to only eat food that their family has prepared for them.

Our school is ‘allergy aware’ and by reducing the risks and developing the strategies suggested by Allergy and Anaphylaxis Australia as outlined in our school Anaphylaxis Policy, we aim to educate all students about caring for themselves and others.

EMERGENCY INFORMATION
Emergency information is kept on file for each student. This enables the school to contact parents or the emergency contact in case of an accident or illness. Please ensure the emergency contact lives close by and has transport to pickup your child. To enable the school to provide this care, parents are requested to advise the school immediately of any change of address or telephone numbers. Please notify the school of any relevant information regarding custody and access rights which would affect your child's security. Such issues are handled in confidence.

PARENT PARTICIPATION
Parent involvement at Greythorn is welcomed and encouraged. It is recognised as being natural and desirable in a climate where the notion of home/school, parent/teacher partnership is positively promoted. Greythorn is proud of, and enjoys a supportive and enthusiastic parent community. There are many ways, small and large, for you to become involved, which ultimately enrich school programs, improve the environment and facilities, and enhance your child's growth and learning.

Parents wishing to become involved in ‘decision making’ may stand for School Council or participate in the other operating school committees.

At school level, there is the opportunity to become involved with classroom activities. Parents are given the opportunity to attend training sessions so they can support learning programs in the Early Years. Parents can also support other programs such as computers, science and mathematics.

Canteen duty, usually monthly or as suited, is another valuable contribution.

PARENT/TEACHER INTERVIEWS
Opportunity for personal interviews is available as follows:-

- In the first few weeks of the school year for parents to provide information to teachers.
- Whenever a parent sees the need at any time throughout the school year. [Parents need to make an appointment with the class teacher].
- Whenever a teacher sees the need for extra consultation regarding the progress/attitudes of a student.
- On formally set reporting day[s].

POSSSESSIONS, MONEY, MOBILE PHONES
Responsibility cannot be taken for treasured or expensive items. Please ensure your child does not bring large amounts of money to school. Any money for excursions or special items should be sealed in an envelope on which is written the amount, the child's name and grade and the purpose of the money.

Mobile phones brought to school by students need to be left at the office and collected again at the end of the school day.

READABOUT
A school magazine is produced annually and made available for purchase to students and staff prior to the end of each school year. It serves as a pictorial and written record of events throughout the year. Every effort is made to include a contribution from every child.

REPORTS
Written reports are presented to parents in June and December. The reports are designed to give parents an accurate account of attainments and a summary of performance. An opportunity to discuss the reports is offered at mid year and end of the year.

SAFETY
The school program endeavours to develop the following safety habits. Please reinforce these at home.

1. Students should know their full name, address and telephone number.
2. Use the safest, most direct route between home and the school.
3. Use the lights when crossing Greythorn Road near the school and at Belmore Road at the intersection of Greythorn Road. These are manned by school crossing supervisors between the hours of 8.15am -9.00am & 3.15pm - 4.00 pm
4. Stop and look both ways before crossing roads.
5. Never run from behind parked cars.
7. Never leave the school grounds until dismissal.
8. Never go home with friends unless you have been given permission.

Parking around Greythorn can be difficult and illegal parking may incur a fine from parking officers. Parents are requested to refrain from driving into the school. Only staff and authorized vehicles are permitted to enter the school grounds.

SCHOOL BANKING
Students may open and operate a Commonwealth Bank “Account” through the school. Bank Day is every Friday. New account forms will be arranged for students in Term 1.

There is no obligation to open an account. Parents should consider it as one option in educating their
students to handle money. The school benefits from students’ regular banking habits by receiving 25 cents commission from the bank per deposit lodged regardless of the amount.

SCHOOL CAPTAINS
A Year 6 girl and boy are chosen as School Captains to represent all students at appropriate functions.

SCHOOL COUNCIL/COMMITTEES
The School Council is constituted under law by the Government. It is a legal body representing the Government, and is the meeting place where staff and parents jointly, on behalf of the school community, make decisions related to school issues. Duties of the School Council include:
(a) determine the educational policy of the school within issued guidelines
(b) positively stimulate interest in the school
(c) oversee the maintenance of school buildings and grounds and make recommendations with respect to effecting improvements
(d) ensure that all monies coming in to the hands of the school are expended for proper purposes

The Council consists of eight elected parent representatives, four DEECD representatives plus the Principal, and a co-opted member, who is the P.F.A. representative. Council positions are for a two-year period, and elections coincide with the Annual General Meeting held in March. Council meets on the 3rd Tuesday of the month at 8.00pm in the staffroom. All parents are welcome to attend. The Council is supported by various committees. These include Canteen, Education, Finance and the Parents & Friends Association [P.F.A].

Finance Committee
Principal function of this committee is to play a major role in preparing the school’s annual budget. It consists of the Principal, senior staff and nominated members of the School Council.

Education Committee
The committee consists of parents and teachers and is responsible for making recommendations and developing proposals related to the curriculum, within Government and DEECD guidelines. Parents are very welcome to attend. Dates and venue of meetings to be notified via the newsletter.

Canteen Committee
This committee oversees the operation of the canteen, and reports and makes recommendations about canteen operations to School Council. The committee meets as required.

Parents and Friends Association [P.F.A.]
The aims of the P.F.A. may be simplified as follows:
1. To aid parent/teacher communication
2. To facilitate social contact within the school
3. To support fundraising activities
4. To fulfil a pastoral care role
5. Public Relations
6. To support and promote parent participation at Greythorn,
P.F.A provides a forum where all parents can participate and develop a shared parent view. The association cooperates closely with the Principal and School Council. All this is achieved in a friendly relaxed atmosphere where parents can gain an understanding of the education system for the benefit of their students, exchange ideas and develop friendships.
The P.F.A. Annual General Meeting and election of Office Bearers takes place in March each year. P.F.A. consists of class representatives [usually two per class, who volunteer at the beginning of the school year] and other interested members of the school community.
P.F.A generally meets on the 1st Wednesday of the month at 8.00pm in the staffroom.

TRANSITION TO SCHOOL
A Prep Transition Program takes place throughout the year with a range of planned activities/school visits.

New students going into Years 1 to 6 at the beginning of a year are invited to spend some time in a class at Greythorn on the whole school Orientation Day.

TRANSITION TO YEAR 7
The transition from Greythorn to Year 7 is a well established process. In May of Year 6, parents are requested to fill out a form for placement of their child into Secondary School. There are a number of criteria which have to be met which is explained in an accompanying letter. For most students this will be reasonably straightforward as they will be attending their neighbourhood school, have a sibling claim to another school, or have a confirmed place in a non-government school. In August each child who requested a place at a government school will be notified of the school where they have been accepted.

Please ensure your child has a hat that is labelled with his/her name. Broad brimmed hats [slouch] and legionnaire hats, all in royal blue, are available through the Uniform Shop.
Art Smocks
All students are required to wear a protective smock for Art lessons. Please ensure the front is long and waterproof and that it has long sleeves. It needs to be easily slipped on and off, and clearly labelled. New art smocks are available for purchase through the Recycle Uniform Shop.

WALKING SCHOOL BUS
For more information and a detailed map of current routes, please check the notice board in the corridor opposite the main office.
Starting school is an exciting event for students, but school will probably mean some big changes in your child's life; for example, first steps to independence, first separation from family and home, new feelings, friends and experiences.

It is important your child gets off to a good start. Things you can do to help prepare your child for school include encouragement to put things away, training to listen, doing simple tasks, getting along with others, sticking to a routine [e.g. bedtime] and dressing one self.

**Prep Information Sessions**

In Term 2, usually during May, Prep Information sessions will be held for the purpose of providing details about the school to parents of prospective Prep students for the forthcoming school year. The dates will be advertised in advance at local kindergartens, day care centres and in the Greythorn newsletter. Additionally, the Principal and Assistant Principal are available to answer any concerns. Appointments are made for mutually convenient times.

**Enrolment**

To enrol your child at Greythorn you must fill out a DEECD student information form and provide the following:

1. **Birth Certificate**
   It is DEECD policy that a Birth Certificate is presented to the school with the enrolment form. A copy will be kept for our records. If your child was not born in Australia we need to sight a passport to establish whether they are an Australian Citizen and if not what their Visa category is. A copy of this document will be kept with the child’s file.

2. **Immunisation Certificate**
   Every child must have an immunisation certificate to enrol in primary school. It gives the school a clear record of every child’s immune status and helps the school to do the right thing by each pupil should a case of infectious disease be discovered in a class. Some students have health conditions that make immunisation unwise. Some parents have conscientious objections to immunisation. These will be recorded on the certificate and the students will be accepted for school.

   When you apply for the certificate, make sure your child has had the booster doses for:
   - **DTP** [Diphtheria, Tetanus & Pertussis]
   - **OPV** [Oral Polio Vaccine]
   - **MMR** [Measles, Mumps & Rubella]

   Students are required to have these before they begin school. It would be appreciated if completed enrolment forms could be returned to the office before the end of Term 3.

**Orientation**

The students will have the opportunity to attend school familiarisation sessions. Letters will be sent informing parents of the appropriate dates. In December we conduct a Prep Orientation Day. On this day the students are given the opportunity to meet their teacher [if possible], visit their classroom and participate in activities to assist with their understanding of school life. Parents are also provided with information regarding school routines and organisation.

**HOW TO HELP YOUR CHILD IN THE FIRST YEAR AT SCHOOL**

1. Students become very tired, and perhaps a little irritable, particularly during the first few weeks of adjusting to a new routine. They need extra understanding from parents at this time.
2. Aim to have your child at school by 8.45 a.m. Running late, and entering school after the day's activities have begun, can be upsetting to a beginner. Also, please make sure that your child is picked up from school on time.
3. **NAME EVERYTHING** which your child brings to school - all clothing, lunch boxes, bags, plastic bottles, storybooks, toys, balls, etc. **UNLESS ARTICLES ARE NAMED, IT IS DIFFICULT FOR TEACHERS TO FIND THE CORRECT OWNER** - and much valuable time can be spent in attempting to do so.
4. Show an interest in "work" brought home, and display it in a special place.
5. Recognise and praise your child's efforts. Aim at helping your child surpass his/her own previous achievement rather than competing with others.
6. Understand the importance of play. Provide materials which stimulate creative play. Encourage your child to play with other students.
7. Teach your child to cope independently with taking clothing on and off, particularly coats, art smocks, shoes, socks, and clothing with buttons or zips. Begin teaching him/her to do up shoe laces.
8. Above all, **DON'T WORRY**. When students have developed a secure relationship with their teacher, and have made friends, minor problems seem to solve themselves. If a problem persists, don't hesitate to talk to the class teacher, level co-ordinator or Principal.
THE FIRST DAY OF SCHOOL

If you have a positive attitude and look forward to the first day of school, your child will probably do the same.

On day one, arrive on time. Help your child find the peg identified with the name for her/his bag and classroom tub. Try to leave quickly once your child is in the classroom. Your own happy, confident farewell will help your child settle.

Make sure you have talked to your child about the difference between "playtime" and "lunchtime". Show your child what food you have packed each morning for these times and say when you expect it to be eaten. Ensure the lunchbox fits easily into the school bag. [Drinks should not be in glass containers].

Please be prompt in collecting your child at dismissal, and share the excitement of starting school.

BUDDY SYSTEM
To help your child settle into school comfortably, we operate a buddy system whereby each Prep child has an older friend. Our 'buddies' are Year 4 students.

This program promotes a caring relationship which is valued by all. The buddy is someone who may be sought by the Prep child in times of need in the playground.

These students regularly have lunch and work together with the Prep students on appropriate activities.
