My favourite Term 2 highlight was camp. I enjoyed camp because I got to do many fun activities. My favourite activities were the Flying fox, the crate climbing and the initiative games. - Liza

My highlight this term was when we met our Prep buddies. I was over the moon. I couldn't wait to meet my buddy that I was going to be together with until Year 6. When I finally met Harvey from Prep JB I was thrilled. He is very kind and funny. I am so lucky!
