

510's term 1 novel is:

One of the main characters is Mr Murlin. What do you think he looks like?

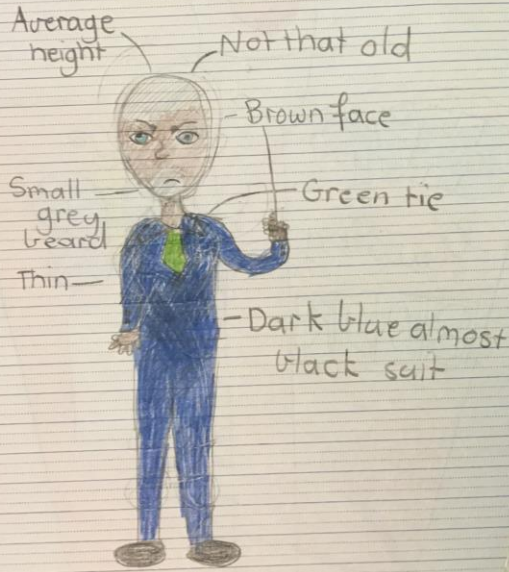

We all turned and looked at Mr Murlin, who was sorting through some papers on his desk. For the first time I looked at him properly. He was thin, with a brown face and a small grey beard. He didn't look all that old, not as old as Miss Holland. He was wearing a green tie that didn't go with his suit, which was dark blue, almost black. He was just average height. If you passed him in the street you wouldn't notice him.
