

5SP Footy Fun Day Celebrations

On Thursday September 21 Greythorn Primary School celebrated Footy Fun Day! Students in 5SP were excited about the day and came to school ready for the special footy lunch. The day also included the traditional parade where students proudly wore their team colours. Jumpers, hats, scarves, t-shirts, socks and more were on display. The students participated in a footy numeracy task which involved them competing to make the biggest sum using two 6 sided dice in 90 second elimination games. In a fast paced and exciting grand final, Aarush and Mia faced off. In the end, Aarush emerged victorious!
