# **OUR RIGHTS in 6MN.**

**Over the past week 6MN have explored the United Nations Conventions on the rights of the child and the constitutions and amendments of several countries. We also studied the various documents that outline our expectations of each other as a member of the Greythorn community.**

**With our deepened understanding of the importance of such expectations we developed our own document that describes what we expect of ourselves and others in the classroom.**

**“If no one had rights then anyone could do anything and everything would be chaos.”**
