## Meeting our Grade 4 buddies

### In this issue:

- Preps and Grade 4 Buddies
- VIP Prep

An absolute highlight to the start of the year has been our first meeting with the grade four **Buddies**. During week 3 all grade four and prep students entered the Friendship Garden and found a quiet place to sit and enjoy the comforting environment. Grade 4 students then read one or two stories to a prep student. All students were then given an opportunity to get to know one another.

As this was the first time the prep students had been to the friendship garden they were given some time to explore and we managed to snap our first group photo. There are many new and exciting things for our prep students to learn this term and we are very grateful of the kindness, care, compassion and support the older students are showing them; you are all being wonderful role models.

The first prep photo of 2018. Can you guess who's who?

## Very Important Prep Person

Our term one unit of Inquiry is titled "What makes me, me?" and as part of this unit each prep is give a day to share things about themselves with their class.

At our prep assembly Miss Marino showed us her favorite outdoor toys and gave us a demonstration on how they work.

All prep families should have received a VIP letter detailing the roster. If you are unsure of when your VIP day is please see your prep teacher.
