Hockey 7's

Congratulations to the 28 students who participated in the North Balwyn District Hockey 7's Gala Day. Students trained hard at before school and lunchtime training sessions in the lead up to the competition. This assisted them to improve their ball control and understanding of the game.

We achieved great success with the following results

Girls A – Overall 2nd place

Girls B – 3rd in Pool 2

Boys A – 3rd in Pool 1

Thank you to the teachers (coaches) and all the parents that came and supported us.
