PRINCIPAL’S REPORT

We were delighted to welcome our new Prep students to their first assembly on Monday. With such a large group this year it is great to see how quickly they have settled into school, learning new routines and getting to know their classmates.

Our 2015 School Captains, Sofia and Jack did a superb job at assembly on Monday despite some microphone issues. A major factor in the selection process for School Captains is observing students throughout their ‘school journey’ at Greythorn. Sofia and Jack have always been excellent role models to other students and I am confident that they will be wonderful student leaders and ambassadors for our school. Further student leadership positions will be announced at assembly on **Tuesday 17th February**, to be held in the Stadium. (Please note the change of day for assembly due to the District Swimming Sports.) This year along with our regular leadership positions some additional areas of responsibility will be awarded to Year Six students. New positions are – Art Captains, Library Captains and Environment Captains.

You would be aware that one of our Assistant Principals, Kim Bride is currently the acting Principal at Ringwood Heights Primary School for Term One. Our other Assistant Principal Fiona Limoli is working on a part-time basis and is here on Wednesdays. At present further administrative assistance is being provided by Leading Teachers Ken Darby and Liz Miller. I would like to acknowledge the additional work being undertaken by Fiona, Ken and Liz and thank all staff for their support for what has been a busy but successful start to 2015.

The school swimming trials were held today at the Boroondara Sports Complex. These trials provide the opportunity to select our swimming squad to represent Greythorn at the District Swimming Carnival on Monday 16th February. Well done to all swimmers who competed so enthusiastically. Many thanks to the parents and teachers who assisted today and especially to Daniel Zito for his excellent organisation of the event.

**Parent Teacher Meetings – online bookings**

You will shortly receive information about Parent/Teacher meetings to be conducted on 24th and 25th February. These ‘getting to know you’ interviews are designed to provide the opportunity for you to meet your child’s teacher and share any relevant information about your child. Parents will have the ability to log on to a website with a specific ‘event code’ to book an interview time that best suits them. An easy to follow step by step guide will be sent home to each parent. Both classroom and specialist teachers will be available via this online booking system. If you do not have access to a computer at home or at work then please advise the class teacher who will have the ability to place a time on your behalf.

**PFA Welcome BBQ – Friday 27th February, 5.00pm – 7.00pm**

Please put this date in your diary and make Friday 27th February a great school community event.

**Car Parking**

Car parking within the school grounds is restricted to staff cars only. Please do not enter the school ground car parks to pick up or drop your children off. We are concerned about student safety and using these areas as drop off and pick up points creates an extremely dangerous situation. This includes the car park off Reading Avenue where some parents drive in to collect children from OSHClub and the car park off Glenthorn Avenue adjacent to the stadium. Your assistance in following the appropriate procedures, parking signage and road laws when dropping off and picking up your children from school will help create a safer environment for all.

GRAFFITI HURTS EVERYONE

WORKING AS A COMMUNITY TO HELP STAMP OUT GRAFFITI

Graffiti is a highly destructive problem which affects the entire community. It has damaging economic, social and environmental consequences and costs many millions of dollars each year to police and clean up. Every dollar spent on graffiti removal is a dollar that could be used in other positive ways in our community.

HOW STUDENTS CAN HELP
Your child will be exploring the issues of graffiti in an educational presentation. Delivered by leading educationalists Warner Youth Education, the Graffiti Education program informs young people about the legal, social and personal consequences of graffiti. It encourages them to be part of the solution by developing a sense of civic pride.

HOW PARENTS CAN HELP
- Encourage your child to discuss with you and others what they learned in the presentation.
- Encourage your children to become involved in a range of city wide youth activities and events.
For information visit Council’s web page www.boroondara.vic.gov.au and search ‘youth’.

UNDERSTAND GRAFFITI LAWS

Tough graffiti laws in Victoria give police and Protective Service Officers special powers to search, arrest, fine or charge you. Penalties range from on-the-spot fines to imprisonment and can include:
- Marking property without owner’s consent -
  Jail term of up to 2 years and fine of up to $34,646
- Carrying a spray can while on or near public transport property -
  Fine of up to $3,609 or on the spot fine of up to $722

REPORT GRAFFITI!
To report graffiti in the City of Boroondara call your 24hr Graffiti Hotline 9278 4444
Education Maintenance Allowance

Information about changes to Education Maintenance Allowance as a result of the School Reform Agreement made between the Victorian Government and Commonwealth Government.

What is EMA?
The Education Maintenance Allowance currently provides financial assistance to low-income families to help meet costs associated with the education of their children.

How it is paid?
Parents can currently elect to have their EMA paid in one of the following ways:
- paid by direct deposit (Electronic Funds Transfer) into the parent’s bank account; or
- paid directly to the school to be held as credit which the parent can use towards education expenses; or
- paid by cheque which will be posted to the school for collection.

In 2013 over 70 per cent of parents receiving the EMA chose to have their EMA paid directly to their school. Each school would then use the funds for a range of expenses for that child.

Who is eligible?
The EMA currently provides financial assistance to Victorian families on a low income to help with the cost of educational items such as textbooks, stationery, uniforms and excursions.

It is a means-tested payment - parents must hold a Centrelink or Veterans Affairs concession card to be eligible.

What is changing?

In the recent School Reform agreement signed with the Commonwealth, the Victorian Government has changed the way it helps low income families with education expenses.

From 2015, the Government will distribute the funds previously used for the EMA directly to schools. DEECD will develop the arrangements to be used to distribute these funds to schools – consultation will occur with stakeholders about this.

Why?
Under the recent School Funding Reform an additional $12.2 billion will be allocated to Victorian schools.

Will my child be worse off?
No. Education funding for children will increase but will be delivered to your child in a new way through their school. The new agreement provides that schools with the most vulnerable students will receive the funding they need.

The students who will benefit the most from this funding agreement are those who are the most vulnerable.

Program Update

Dear Parents and Families,

It has been a fantastic week at OSHClub! We have so many Preps attending who have been busy with arts and crafts in the morning and cooking in the afternoon. Our older children have been enjoying sports, mazes, spot the difference and group games.

Next week our goal is to get to know our friends at OSHClub, we will be making friendship bracelets, get to know you games, name printing and more, along with our usual science experiments, arts and crafts and structured free play.

It has been lovely meeting our new families at OSH. Just a reminder for all parents to book children in 24 hours prior to before/after school sessions to help our staff prepare for your child's needs and cover staff ratio.

Happy Valentines everyone and we hope to see you at OSHClub soon!

Regards

Rhona

School Banking - every FRIDAY except the last day of term.

Welcome back to another exciting year of School Banking! This year’s theme is the Outer Space Savers and the Dollarmites will be on an intergalactic mission to Planet Savings. Welcome to our new bankers – 50+ so far.

SCHOOL BANKING TROPHY: Congratulations to IT who won the School Banking Trophy last Friday. You had the highest number of bankers in your class. Remind you friends to bank each Friday and let’s see which class wins this Friday and will be presented with the Banking trophy at assembly on Monday!

DISNEYLAND CALIFORNIA COMPETITION: Students who make 25 or more School Banking Deposits during 2015 will automatically enter the draw to win a trip to California’s Disneyland. The prize includes return airfares, ‘five nights’ accommodation, transfers and 3 days park entry for up to two adults and two kids and AUD$2,000 spending money! Good luck! See the flyer attached.

OUTER SPACE SAVER REWARDS: In Term 1 there are two exciting rewards to choose from a E.T DVD & a Handball . If you have individually collected 10 silver tokens or one gold token you are eligible to order your reward. Just fill in your banking reward card or place a note in your banking wallet with the reward item you would like, your name and student number. Rewards usually take one or two weeks to receive. You can also order the tenth time you bank.

REMINDER: Please don’t forget to fill in your banking deposit slips with your name, student number and the amount you are banking. The bank will not allow us to accept any deposits without slips filled in.

HOW TO GET INVOLVED: Visit any Commonwealth Bank with your birth certificate and open up a Youthsaver account on the spot (it’s that easy) or refer to your parent information packs. Every student should have received their packs now containing the 2015 reward cards. Please ask your teacher if you have missed out.

SCHOOL BANKING IS A FUNDRAISER FOR OUR SCHOOL: Each new account raises $5 for our school and every amount banked on a Friday raises 5% commission. Our School Bankers helped raise $2,300 in 2014 by just banking at school each week on a Friday. With over 50 new accounts opened already this year I think we are well on the way to beating this in 2015. We always are on the look out for more bankers so it’s never too late to get involved and start banking. Thanks for your support. Kirrily Turnbull, Elena Berrell & Kate Locke (School Banking Co-ordinators).
School Banking 2015 is ready for launch.
