Welcome to Term 2 and a special welcome to the four families who are new to Greythorn this week. Please note our diary dates this term, which include the Year 4 camp next week and Year 3 and 5 NAPLAN tests in May and the UNSW Science test.

On Monday, our staff had a most productive student-free day working on our Annual Implementation Plan. The day focused on consistency of teaching within teams and across the school. Teachers worked with a literacy consultant on our Independent Reading program. This workshop approach to reading will form the basis of future work on the school’s writing program. Additionally, the Maths Committee presented results of their recent audit of teacher practice, outlining areas for professional learning. Finally, Krystina Simpson led the staff in developing learning intentions and success criteria for use in classrooms. Shared with students, learning intentions can direct children’s attention in class to what they will learn (rather than do) and what success in that task looks like. Thank you to the English, Maths and Wellbeing teams (led by Simon, Krystina and Narelle) for all their work before and on Monday.

Our facilities received lots of attention over the holidays. We made some repairs to the carpet in the senior school building and thank those parents who contributed to the Building Fund this year, which funded this work. Some significant tree maintenance was also completed.

Additionally, DET undertook Stage 1 of essential repairs to Greythorn, involving roofing works on three buildings. Most of the hall roof was re-angled to improve water runoff, and the rusty roof and flashings were replaced. Repairs were also made to the roofs in Buildings B and C (Junior and Middle school buildings). This work took all of the holidays, as unexpected damage was discovered and fixed, and is now mostly completed. Just in time before yesterday’s rain!

Stage 2 of Greythorn building repairs will involve sub-floor structural work to the admin building. Stage 3 will see a number of window frames and glass replaced in Buildings A and C. We will keep parents informed as these works progress over the coming months.

At our staff meeting on Tuesday, we will finalise assembly arrangements for Term 2. Parents are always welcome and our next assembly is planned for Monday 18 April at 2:40 p.m.

Finally, congratulations to:
- Kristina Verhagen, on her recent engagement.
- Daniel Zito, who also became engaged last term.
- Caitlin Shipsides, who competed at an international gymnastics competition in Japan over the holidays.

Kind regards,

Kim Dray

GPS Fun Run and Cross Country - Training Tips
For all the information you need on the Fun Run and Cross Country, go to gpsphysed.weebly.com/cross-country

3 and a half weeks to go!

Check the newsletter each week for training tips to help you reach your goal at the GPS Fun Run and Cross Country.

A good goal would be to run the entire distance without having to slow to a walk.

Throughout the school week there are many chances to run in Phys. Ed, Sport, Recess and Lunchtime. To begin your training program though, go for 1 run this weekend, either Saturday or Sunday. Aim for this distance:
- Prep: 200m
- Grade 1: 350m
- Grade 2: 450m
- 10 & under: 1km
- 11y.o: 1.5km
- 12 & over: 1.5km

Each week we will increase the distance. Try to run these training runs at a speed where you are very tired by the end, but not so fast that you have to slow to a walk at any stage. Check here again next week for your next challenge!

HOW CHILDREN LEARN TO READ AND WRITE
PARENT INFORMATION SESSION

Dear Parents

We are presenting an information session on how children develop skills in literacy and what you can do to support them with their literacy learning at home. We will talk about the stages of writing and reading from beginning to fluent, looking at various examples and discussing the importance of building a foundation and developing strategies. This information session will be held in the school hall this Thursday 14th April 7.15 – 8.30pm.

If parents wish to help in the classroom, please attend both this session and a short follow up session covering the expectations of being a classroom helper on Friday 22nd April at 9.05 – 9.35am in the school staffroom.

If you wish to attend the information session(s) please sign your name on the form outside each of the prep classrooms or at the office. This is to give us an approximate idea of numbers.

Program Update

Dear Parents,

Welcome back to school! I hope you have had a lovely break. During the holidays, we were busy with the Holiday Program with students attending from other schools which was great. We had an awesome time with excursions to Melbourne Zoo, Science works and also we had incursions from Kaboom Sport and soap making. Thank you to parents who donated equipment and toys for our room and gave great feedback to help improve our service.

Just a reminder for all parents to please book in your child online for before and after school care. For emergency bookings please contact the program directly or the school if your child does not know to attend the after school care. Please also contact the program for cancellations as we spend some time looking for children after school if they do not turn up. A text is all we need 😊

OSHClub is excited to announce its partnership with Play On AFL to provide AFL clinics to children at the school. The program is run by AFL approved Coaches with no more than 15 children in each session. Therefore each child will receive the highest quality coaching and mentoring. The program begins on the week commencing the 18th April and runs every Thursday straight after the school bell. The program is open to all children who attend the school not just After Care children. The cost ranges from $15.00 for After Care children to $22.50 for non After Care families. Families may also be eligible for Child Care Rebate and Child Care Benefit reductions in cost. For more details go to http://playonsports.com.au/

Thank you and have a great week,

Kindest Regards,
Rashmi

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
• $125 for primary school students
• $225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

Balwyn North Residents Invited to Have One On Us!

Greythorn Primary School is participating in a trial of the world’s first neighbourhood loyalty program, One On Us.

One On Us owners and Balwyn North residents, Nicola and Conrad Harvey, along with their business partners, Patrick and Sharon Ramsden, are testing an advanced prototype of the One On Us loyalty app in the Balwyn North Shopping Village over the next three months ahead of its worldwide launch later in the year.

Shoppers of Balwyn North Village will be the first to experience this new sophisticated technology which is specially designed for neighbourhood shopping centre traders and those who love supporting them. It’s also designed to benefit local communities.

During the trial, shoppers will be able to redeem their reward points for personal treats and rewards at participating shops at Balwyn North Village, or as donations to our school which will be used for special projects and initiatives for the students.

To get involved, all you need to do is download the FREE app onto your smart mobile phone, then start accumulating points when you shop at your favourite Balwyn North Village store participating in the trial.

When you buy something from a shop, your mobile phone will be scanned and your purchase points will upload in real time so you can track your progress instantly.

The One On Us app is built on over 50 years of experience in international retail technology and innovation. Conrad, the former CIO of Coles, and Patrick have led teams pioneering retail technology in Australia, South Africa and the United Kingdom. Now combining their technological expertise, their vision is to transform neighbourhood shopping across the globe for the benefit of traders, their loyal customers and local communities.

As part of the trial launch celebrations, One One Us is offering 500 bonus points to the first 5,000 Balwyn North Village customers who download the app and sign up before 30 April 2016. Look out in your letterbox for details or visit www.oneonus.com.au.

Balwyn North Village traders so far participating in the One On Us trial include:

Village Café            Baker’s Delight – Balwyn North       Amcal – Balwyn North       Saltano
Solomon’s Flooring      Amandas                                  Marlys                  Danielles

For more information, visit www.oneonus.com.au or email team@oneoneus.com.au.

Learn music
here at school

Come and join in the fun of
learning to play keyboard,
guitar, here at Greythorn Pri-
mary School.

Creative Music for Schools
conducts a music program
here at school each week.

Small group classes or one-to-one
lessons of up to 30 minutes give chil-
dren an excellent grounding in music
where they will learn to read music
and play their chosen instrument.

Tuition costs from $17.90 per lesson and
enrolments are now being accepted for
limited places in term 2, 2016.

Interested parents should call Fiona during
office hours on 9818 2333
