Welcome to Rebecca, who is working temporarily in the office while Jen Senior is on leave.

NAPLAN testing will take place between May 10 and 12. The National Assessment Program - Literacy and Numeracy involves students in Years 3, 5, 7 and 9 from all states and territories in Australia and is overseen by each school. Parents will receive some information later this week: please check your child’s school bag.

If your child is in Year 3 or 5, the program will assess their skills in reading, writing, language conventions (spelling, punctuation and grammar) and numeracy. NAPLAN results provide information about student achievement which can be used to inform teaching and learning programs. The tests provide point-in-time information regarding student progress and complement teacher judgments and the range of formal and informal assessments that are used in schools. If you have any concerns or questions, please see your child's teacher.

Specific information regarding NAPLAN can be found on the NAP website. Following collation, individual student reports are sent directly to schools, usually late in Term 3 or early Term 4, and then on to parents.

There has been one change to our extra-curricular schedule for Term 2. Aeroschools will be held on Friday lunchtimes (not Mondays). Students interested in this gymnastics activity will meet with Caitlin Shipsides next Friday to find out more about Aeroschools.

Following endorsement by School Council, our 2016 Annual Implementation Plan is available on the website here. It outlines the school improvement initiatives that are being actioned this year. The 2015 Annual Report to the School Community can also be found on the same webpage.

Finally, congratulations to:
- The impromptu Year 6 dancers (fresh from a hit season at the Year 6 camp) who entertained our students with their polished performance of ‘En Pointe’ at Monday's assembly.
- All those students, led by Daniel Zito and their teachers, who have been training for the annual cross country run. This event will be held on Monday at Greythorn Park and we hope to see lots of parents join us. As per the Compass email, distances and the order of events are as follows, starting at 1:00 p.m.:
  - Year 2 - 1km
  - Year 1 - 750m
  - Prep - 500m
  - 10y.o. and under - 2km
  - 11y.o. - 3km
  - 12/13y.o. - 3km
- Senior school students, who produced some creative and insightful writing and artwork to illustrate their understandings of ANZAC Day. This work is currently on display in the cove (outside Year 6 classrooms).
- Our PFA parents who assisted at Monday’s Mother’s Day stall. We are very grateful to Anna Toth, who has been organising and wrapping the beautiful gifts for this event for many years.

Happy Mother’s Day to all our mums for Sunday. We hope you are thoroughly spoiled!

Kind regards,
Kim Dray

**Artsfest News**

**Artsfest is Coming!**

Every three years at Greythorn we hold a week long celebration of the Arts and we are pleased to announce this year’s Artsfest theme – ‘Up Up and Away, the Sky’s the Limit!’ This theme lends itself to many aeronautical explorations as well as the opportunity to expand our limits of personal possibilities. The Specialist team are busy planning a very exciting, stimulating and inspiring week of learning which students will prepare for during the next two terms. Artsfest will be held in Term 3 from 29th August – 2nd September. It’s bound to be a blast!

Greythorn Primary School is fortunate to belong to the Dough Raiser Program at Bakers Delight Balwyn.

**How the Dough Raiser Program works**

1. Each time a family makes a purchase with Bakers Delight Balwyn, simply tell the bakery staff **AT THE START OF THE TRANSACTION** that they are from Greythorn Primary so that the sale can be recorded electronically. The sales attributed to our school are totalled at the end of each year and **5%** is then given to the school via cheque or electronic payment.

This Program is on all Bakers Delight products and has no time limit.

This is a great fundraising opportunity for Greythorn Primary and we appreciate the support of our local school community by Bakers Delight Balwyn.

FINANCIAL ASSISTANCE
INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
- $125 for primary school students
- $225 for secondary school students.

Program Update

Hello Everyone!

Welcome to Health and fitness week! We will be doing a variety of different activities to encourage children to achieve our goal of having healthy mind and body like doing yoga and healthy cooking also doing lot of sports and fitness challenges. We have also started giving children healthy fruit water which they are enjoying a lot in BSC and ASC time.

Last week we had children making team goals for themselves like improving their cricket skills, eating healthy food, being more active, make more friends, engaging in art and craft and doing more reading. During our group time we discussed how to achieve our term goals, what strategies should we use and in about three week time we will see our progress so far. It was interesting for children to learn the concept of making short term goals and then work on them.

Please ensure that you are signing children in while dropping them off to before care and also while picking them up from after care because we have recently got some issues that children are walking by themselves from car to before care which means officially Oshclub has no responsibility for that child. Also please give us any suggestions about activity or healthy menu if you have any.

Thanks for all the parents who gave us donations of art and craft items. We also encourage community involvement through the program. If you would like to share any skills or would like to participate in the program please feel free to contact me.

That’s it from me this week.
