I have enjoyed recommending books to other kids. (Ryan has a wide knowledge of fiction books & series) Also helping students use the new catalogue for borrowing. It’s been really fun being a Reading Buddy in GPS2S. Thanking Tristan Bancks at the end of his writing session was great. Ryan

I have enjoyed being Library Captain because I help students find new books and authors and I liked introducing the Library Logo competition at Assembly. Being a Reading Buddy was also a terrific thing to do. Kiara
