

Term 3 & 4

Rubbish Free

Lunch!

As you can see in this picture there are no wrappers and food are in containers. This is a rubbish free lunchbox which is what we want you to have.

Let's Make a Difference!

Term 3 & 4, students will be asked to bring a rubbish free lunch.

I don't know about you but I've really enjoyed watching TV series 'The War on Waste' on ABC. Therefore, educating our students about excessive packaging, recycling and compost options is crucial for this future generation as our precious environment is something we can NEVER replace!

NO: juice boxes, chip packets, wrapping, lolly packaging etc..

YES: fresh fruit, unwrapped sandwiches, reusable containers etc...

Please see the link below for a container range found in the supermarket supporting this initiative: Link: <http://www.nudefoodmovers.com.au/>

Kindest regards,

Mrs Kristina Danko & Enviro Captains
